Dear Congressman Stearns:

We thank you for your strong support for the mission of Maggie's List: electing fiscally conservative women who promote the values of less government, more personal responsibility, and strong national security. Your outstanding record on these issues serves as the standard for fiscally responsible, conservative leadership.

As a tireless advocate for free markets, limited government, and controlling the growth in federal spending, you help inspire the candidates we support for federal office. Last year, women held only 90 of the 535 seats in the U.S. House of Representatives and U.S. Senate, and we are working to increase that number with women who understand the challenges facing our nation. In addition to your record, Maggie's List is grateful for the support you provide the candidates we put forward.

On behalf of Maggie's List, I express our best wishes and our hope that you will continue to serve our nation in Congress.

Sincerely,

A handwritten signature in cursive script that reads "Sandra B. Mortham".
